### By public transport

We encourage you to travel by public transport to visit us because it fits our Environmental Policy. All our offices are near mainline railway stations.

#### From Bank tube station

1. Exiting Bank tube station use Exit 2 for Threadneedle Street and the Bank of England.
2. Turn left onto Threadneedle Street and walk past the entrance to the Bank and bear left onto Old Broad Street.
3. Just before the Tesco Metro on the left go through the arch into Austin Friars which is a narrow lane.
4. Continue along Austin Friars and number 23 is the last on the left opposite the Dutch Church, with the main entrance further round the corner past a set of blue railings on a pedestrianised section.

#### From Moorgate tube station

1. Exit Moorgate tube station onto Moorgate and walk south.
2. Turn left onto London Wall and then second right on Throgmorton Avenue.
3. Turn first left into Austin Friars which is pedestrianised. Number 23 is on the right, in between two sets of blue railings.

#### From Liverpool Street station

1. Exit the station onto Liverpool Street and walk down the slight incline.
2. Turn left onto Old Broad Street and continue across a junction to the Tesco Metro on the right, then go through the arch beyond into Austin Friars which is a narrow lane.
3. Continue along Austin Friars and number 23 is the last on the left opposite the Dutch Church, with the main entrance further round the corner past a set of blue railings on a pedestrianised section.

## By car

The nearest public car park is on London Wall driving west after the junction with Moorgate, less than a 5 minute walk from the office.
